

Aritco 4000 Living collection

Aritco 4000 - our smallest and most cost effective home lift

The lift has been designed to meet all requirements for comfort, space and design. The lift is available in several different sizes, with an option to personalise it with details such as glass walls, a range of varied colours and different materials.

Several advantages offered by Aritco 4000:

- Design, sizes and options created for a home environment
- Minimum interventions in the house
- 95% recyclable materials
- 'A' rated energy consumption according to VDI4707
- Patented screw/nut technology (no oil that can leak)
- Requires minimum maintenance
- The lowest maintenance and operating costs on the market
